

value of any loan sold with recourse less:

(1) The amount of any insurance or guarantee against loss in the event of default provided by a third party,

(2) The amount of any loss to be borne by the purchaser in the event of default, and

(3) The amount of any loss resulting from a recourse obligation entered on the books and records of the savings association.

(b) The term *with recourse* does not include loans or interests therein where the agreement of sale provides for the savings association directly or indirectly

(1) To hold or retain a subordinate interest in a specified percentage of the loans or interests; or

(2) To guarantee against loss up to a specified percentage of the loans or interests, which specified percentage shall not exceed ten percent of the outstanding balance of the loans or interests at the time of sale: *Provided*, That the savings association designates adequate reserves for the subordinate interest or guarantee.

(c) This definition does not apply for purposes of determining the capital adequacy requirements under part 567 of this chapter.

PART 562—REGULATORY REPORTING STANDARDS

Sec.

562.1 Regulatory reporting requirements.

562.2 Regulatory reports.

562.4 Audit of savings associations and savings association holding companies.

AUTHORITY: 12 U.S.C. 1463.

SOURCE: 57 FR 40090, Sept. 2, 1992, unless otherwise noted.

§ 562.1 Regulatory reporting requirements.

(a) *Authority and scope*. This part is issued by the Office of Thrift Supervision (OTS) pursuant to section 4(b) and 4(c) of the Home Owners' Loan Act (HOLA). It applies to all savings associations regulated by the OTS.

(b) *Records and reports—general*—(1) *Records*. Each savings association and its affiliates shall maintain accurate

and complete records of all business transactions. Such records shall support and be readily reconcilable to any regulatory reports submitted to the OTS and financial reports prepared in accordance with GAAP. The records shall be maintained in the United States and be readily accessible for examination and other supervisory purposes within 5 business days upon request by the OTS, at a location acceptable to the OTS.

(2) *Reports*. For purposes of examination by and regulatory reports to the OTS and compliance with this chapter, all savings associations shall use such forms and follow such regulatory reporting requirements as the OTS may require by regulation or otherwise.

§ 562.2 Regulatory reports.

(a) *Definition and scope*. This section applies to all regulatory reports, as defined herein. A regulatory report is any report that the OTS prepares, or is submitted to, or is used by the OTS, to determine compliance with its rules and regulations, and to evaluate the safe and sound condition and operation of savings associations. The Report of Examination and the Thrift Financial Report (TFR) are examples of regulatory reports. Regulatory reports are regulatory documents, not accounting documents.

(b) *Regulatory reporting requirements*—(1) *General*. The instructions to regulatory reports are referred to as “regulatory reporting requirements.” Regulatory reporting requirements include, but are not limited to, the accounting instructions provided in the TFR, guidance contained in OTS regulations, bulletins, and examination handbooks, and safe and sound practices. Regulatory reporting requirements are not limited to the minimum requirements under generally accepted accounting principles (GAAP) because of the special supervisory, regulatory, and economic policy needs served by such reports. Regulatory reporting by savings associations that purports to comply with GAAP shall incorporate the GAAP that best reflects the underlying economic substance of the transaction at issue. Regulatory reporting requirements shall, at a minimum:
